Making a difference in the Community

We offer banking facilities to all members of the community but with a particular emphasis on the financially disadvantaged and those people who do not have access to 'mainstream' banking facilities offered by the large high street banks. As a co-operative we aim to offer an ethical alternative to the 'pay day' lenders. As a fully licensed bank we make savings accounts and loans accessible to a wide range of the community. All deposits are guaranteed by the government.

We encourage young members of the community understand money with our Junior Savings accounts.

We offer low interest loans that:

- beat pay-day lender rates
- support lower income members of the community to access short term financial aid
- are short or long term

Our ideal candidate is YOU
